PROFESSIONAL SUMMARY

Results-driven Data Analyst with 6 months of experience delivering actionable insights and scalable web solutions. Proficient in Python, SQL, Power BI, React, and cybersecurity analytics. Demonstrated ability to translate complex data into strategic decisions, with a passion for leveraging technology to drive measurable business growth.

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript, React.
- **Data Analytics & BI:** Data Security, Data Visualization, Power BI, Excel, Python (Pandas, NumPy, Scikit-Learn, Matplotlib, Seaborn),
- **Databases:** MySQL, MongoDB, PostgreSQL.
- **Languages & Proficiency:** Python (Advanced), SQL (Advanced).
- **Developer Tools:** Jupyter, Git, GitHub, VS Code, PyCharm.
- **Frameworks:** Django, Flask.
- **Soft Skills:** Leadership, Motivated, Hardworking, Collaborative Problem-Solving.
- **AI / Data:** Machine learning, Deep learning, Prompt engineering

PROFESSIONAL EXPERIENCE

Octane Cyber Safe Pvt Ltd

Feb 2026 – Present

Data Analytics Intern

- Spearheaded end-to-end data processing and structural loading to analyze critical cybersecurity metrics.
- Optimized system performance by executing complex SQL queries and Python-based transactional data analysis.

IIT Ropar

Past/Contract

MERN Stack Intern

- Architected scalable MongoDB databases and developed responsive front-end components for web applications.
- Debugged data-flow pipelines and enhanced application performance through efficient API integration.

KEY PROJECTS

Inventory Management System — View Project

Automated inventory tracking using a responsive web interface, significantly reducing manual stock discrepancies.

Financial Fraud Detection — View Project

Deployed machine learning models to identify fraudulent transaction patterns, enhancing real-time security protocols.

Placement Analytics & Predictive Modeling — View Project

Performed comprehensive EDA and built a predictive model to forecast recruitment trends and salary outcomes.

Sales Performance & BI Dashboard — View Project

Designed interactive Power BI dashboards and automated ETL pipelines to track key revenue growth KPIs.

EDUCATION

Arvind Gavali College of Engineering — B.Tech in Computer Science (8.03 CGPA)

2026

Sadguru Gadge Maharaj College — Class 12th (HSC: 66.33%)

2022

Adarsh Vidya Mandir — Class 10th (SSC: 92.80%)

2020

CERTIFICATIONS

- **NPTEL:** Machine Learning (Top 5%, IIT Madras)
- **NPTEL:** Python for Data Science (Elite, IIT Ropar).
- **Forage:** Data Analytics Simulation (Deloitte Australia).
